Nusrat Jahan

Junior SQA Engineer

Dhaka, Bangladesh | +880 1700-000000 | nusrat.jahan.qa@gmail.com | linkedin.com/in/nusratjahan-qa | github.com/nusratjahan-qa

PROFESSIONAL SUMMARY

ISTQB CTFL-certified Computer Science graduate with hands-on experience in manual and automation testing. Designed 150+ test cases and automated 40 UI test scenarios with Playwright across 3 academic projects and a 3-month QA internship. Seeking a Junior SQA Engineer role to help a product team ship reliable software.

SKILLS

- **Testing:** Manual Testing, Functional Testing, Regression Testing, Smoke Testing, API Testing, Test Case Design, Test Plan, Bug Reporting, SDLC, STLC, Agile/Scrum
- **Automation:** Playwright (JavaScript/TypeScript), Selenium WebDriver (Java), Page Object Model
- **Tools:** JIRA, Postman, Git, GitHub, GitHub Actions, TestRail, Chrome DevTools
- **Technical:** JavaScript, Java, SQL (MySQL), HTML, CSS
- **Soft Skills:** Attention to Detail, Communication, Teamwork, Problem Solving, Time Management

PROJECTS

E-Commerce Test Automation Framework | Playwright, JavaScript, GitHub Actions | github.com/nusratjahan-qa/ecom-playwright

- Automated 40 end-to-end scenarios (login, search, cart, checkout) using Playwright with the Page Object Model.
- Integrated the suite with GitHub Actions to run on every push, cutting regression time from 3 hours to 20 minutes.
- Added HTML reports with screenshots on failure, making bug triage faster for the team.

University Course Registration Portal – Manual Testing | JIRA, TestRail

- Wrote and executed 120 test cases covering registration, payment and result modules.
- Reported 35 bugs in JIRA, including 8 critical issues fixed before final release.

REST API Testing for a Library Management System | Postman, JavaScript

- Tested 25 API endpoints for status codes, response data and error handling.
- Built a Postman collection with 60 automated assertions and environment variables for test and staging.

EXPERIENCE

SQA Intern | ABC Software Ltd., Dhaka | Jul 2026 – Sep 2026

- Executed 200+ functional and regression test cases for a web-based HR management system across 4 sprints.
- Logged 45 bugs in JIRA with clear steps to reproduce, screenshots and severity, helping developers fix 90% within the sprint.
- Took part in daily Scrum meetings and sprint reviews with developers and the product owner.

Freelance Crowdtester | uTest (Remote) | Jan 2026 – Present

- Tested web and mobile apps for global clients and reported 30+ approved bugs.
- Earned Silver tester rating for bug report quality.

EDUCATION

B.Sc. in Computer Science and Engineering | XYZ University, Dhaka | 2022 – 2026

- CGPA: 3.45 / 4.00
- Final-year project: Automated Regression Testing Framework for Web Applications

CERTIFICATIONS AND TRAINING

- ISTQB Certified Tester Foundation Level (CTFL) – ISTQB / BSTQB, 2026
- Playwright Test Automation with JavaScript – Udemy, 2026
- Software Testing and Automation Specialization – Coursera, 2025
- Postman API Fundamentals Student Expert – Postman, 2025

ACHIEVEMENTS AND ACTIVITIES

- Ranked top 10 of 120 teams in the National Software QA Hackathon 2025.
- Organized 3 testing workshops for 150+ students as QA Lead of the university Programming Club.
